More Greetings - we're glad

Yeessoon, you forgot the

It's okay you can relax !

Do you really think we ought
to give him our passports ?

Bob relates the stay
of our office.

Well, we've all
got jet lag ya know!

You put your left
hand in ...

Let's see, is it time to eat yet ?

I'll take one of those and one of those

Take this guy for example ...

Four score and
45 minutes ago ...

Now Bill here is
from ...

Okay so he can read,
is he going to say
anything ?

• This is so we can
remember who we
are !

Let's see, I'm Gaylene
and you're Liz - no
wait a minute !

Be honest, would you walk down a dark street with any of these people ?

Or these ?

Look we have a matched set over here on the end.

Now, let's pretend that I am Cinderella.

Thai version of the street shuffle.

You have to use both arms to fly, Dave !

Meeting the Governor in
Kamphaengphet

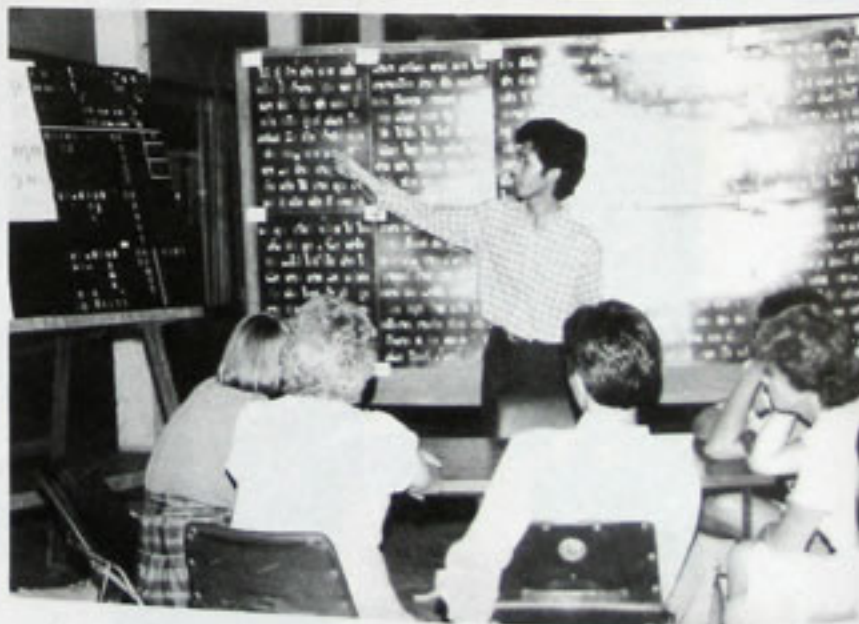

Denny's talking about his favorite subject.

" Let's begin with the basics. The sky is up there ... "

Miss Thailand."

It's all Greek to me !
